MANUFACTURER CERTIFICATE FOR SCHIRTEC E.S.E. LIGHTNING CONDUCTORS

To whom it may concern;

We, as **SCHIRTEC AG**, located in Vienna-AUSTRIA confirm and declare officially that all components used to manufacture the products “E.S.E. Lightning Conductors: S-A, S-AS, S-AM, S-DA and S-DAS” do not contain any radioactive elements and are absolutely environment friendly.

Our products are high quality products made of stainless steel. For each Lightning Conductor we issue a separate guarantee certificate according to Austrian Law.
